ESTIMATES:

- Estimate values are valid for 1 month from date of issue but we reserve the right to adjust prices when manufacturers increase their prices to us.
- Estimates do not include delivery unless specified.

ORDERING:

- We will not take responsibility for ensuring that you are ordering the appropriate products or accessories for your needs.
- Quantities are ordered at your own risk and we will not accept responsibility for over/under ordering nor can we accept returns if you over-order.
- Products are fitted at your own risk, we will not offer advice or supply tools for you or your fitter.
- Samples may vary from the final product due to fading, dye batch differences or wear. Please bear in mind that products will appear different under different lights, so we recommend trying a sample in-situ prior to ordering.

PAYMENT:

- We require full payment when placing an order. We have the right to withhold the products until payment is made.
- We are unable to offer full refunds on products returned that aren't faulty, as this may incur a restocking fee or may not be possible to return it to the manufacturer even if it is unused.
